

ViRadChem Binder

IMMUNE & DIGESTIVE SUPPORT

KEY BENEFITS

- Helps the body's natural ability to detoxify*
- Promotes cellular health and energy production*
- Supports a healthy immune response*

PRODUCT DESCRIPTION

ViRadChem Binder is expertly designed to support the body's normal removal of environmental and microbial contaminants.

At the heart of the binder are humic and fulvic acid extracts. These BioActive Carbon molecules are formulated at a nanoparticle level. This microscopic size enables them to travel deep within the body and bind unwanted environmental and biological factors.

LABEL INFORMATION

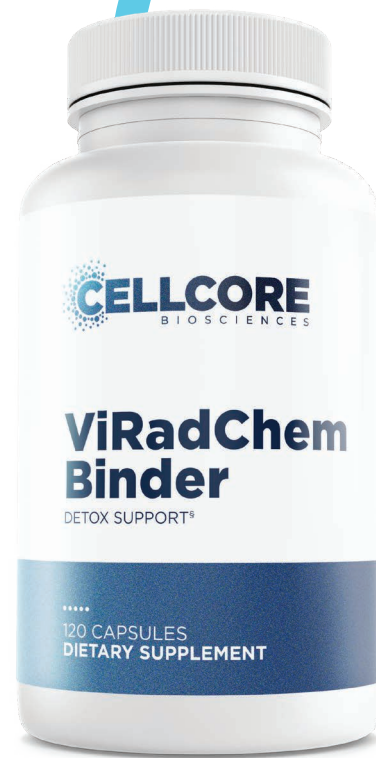

Directions: Start with taking 1 capsule twice daily and work up to 2 capsules twice daily, or as otherwise directed by a healthcare practitioner.

WARNING: Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child.

KEEP OUT OF REACH OF CHILDREN.

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

In addition, Carbon Technology can provide cellular building blocks where they're needed in the body. Supporting cell health is foundational for a detox protocol.

ViRadChem also supports microbiome health and helps maintain normal immune function. So consider the product as a tool for health maintenance as well as detox.
