

# Bowel Mover

DIGESTIVE AND DRAINAGE SUPPORT\*

## KEY BENEFITS

- Promotes gentle bowel relief\*
- Provides natural digestion support\*
- Supports gut and immune health\*

## PRODUCT DESCRIPTION

Opening drainage pathways is the first step of every CellCore protocol to ensure effective detox and lessen unwanted reactions.\* Regular bowel movements are an essential component of promoting drainage, supporting the body's natural detoxification processes, and removing substances from the body.

Bowel Mover is a natural digestive aid that promotes healthy gut motility and provides non-habit-forming support to help keep the bowels moving regularly.\* This product contains a proprietary blend of a

dozen herbs in specific ratios combined with Carbon Technology's fulvic acid extracts for maximum effectiveness.

The twelve botanicals — including aloe vera leaf powder, black walnut hull, and ginger root — have beneficial nutrients that nourish the gut microbiome and work together to aid water absorption in the stool.\* By supporting natural bile secretion and intestinal peristalsis, Bowel Mover will help encourage soft stools that are easy and comfortable to eliminate.\*

# Advanced TUDCA

DRAINAGE & LIVER SUPPORT\*

## KEY BENEFITS

- Encourages healthy bile production\*
- Helps normal liver and digestive function\*
- Supports Phase I and II liver detox and Phase III liver drainage\*

## PRODUCT DESCRIPTION

TUDCA (tauroursodeoxycholic acid) is a water-soluble bile acid that activates the release of bile into the gut, promoting natural detoxification processes in the body.\* Although TUDCA is naturally found and produced by the body, it is only present in trace amounts.

CellCore's Advanced TUDCA combines TUDCA with Carbon Technology's humic and fulvic acid extracts, melatonin, and N-acetyl cysteine (NAC) to help stimulate the essential bile movement within the body.\* This mobilization increases the production

## LABEL INFORMATION

**Directions:** Take 1 capsule twice daily or as otherwise directed by a healthcare practitioner.

**WARNING:** Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child.

**KEEP OUT OF REACH OF CHILDREN.**

and quality of the bile, which helps support healthy digestion and drainage, liver bile duct health, and regular immune function.\*

Carbon Technology also boosts TUDCA's ability and efficacy to work systematically throughout the body while melatonin serves as a driver to help deliver the product into target areas, particularly the liver; however, in this formulation, melatonin will not cause sleepiness.\* Finally, NAC helps further the body's natural detoxification efforts and replenish glutathione levels.\*

TUDCA (Tauroursodeoxycholic Acid), N-Acetyl Cysteine, Melatonin, Fulvic Acid	

\*Daily Value not established.

Other ingredients: HPMC (Capsule), Stearic Acid, Polysaccharides.

# LymphActiv

## DRAINAGE & IMMUNE SUPPORT

### KEY BENEFITS

- Promotes the lymphatic movement needed to support the normal drainage of lymph, including in the brain
- Deters stagnation of unwanted microbial factors and everyday toxins
- Supplies antioxidant-rich herbs and supports normal immune function

### PRODUCT DESCRIPTION

Ayurveda and modern biochemistry come together in LymphActiv to help keep the lymphatic system moving and draining.

If lymphatic flow is sluggish, unwanted items can stagnate in the body, including in the brain. This stagnation may lead to brain fog and other cognitive challenges.

### LABEL INFORMATION

**Directions:** Take 1 capsule twice daily or as otherwise directed by a healthcare practitioner.

**Warning:** Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child.

#### KEEP OUT OF REACH OF CHILDREN.

**WARNING:** Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

§ This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

LymphActiv includes several herbs to promote fluid drainage, like burdock root and sheep sorrel. They may act as mild diuretics to help relieve temporary fluid buildup.

Other herbs in the product include turkey rhubarb, slippery elm bark, astragalus root, graviola, and chuchuhuasi. The herbs are paired with Carbon Technology (fulvic acid extracts) to help deliver the herbal constituents to where they're needed.

# ViRadChem Binder

IMMUNE & DIGESTIVE SUPPORT

## KEY BENEFITS

- Helps the body's natural ability to detoxify\*
- Promotes cellular health and energy production\*
- Supports a healthy immune response\*

## PRODUCT DESCRIPTION

ViRadChem Binder is expertly designed to support the body's normal removal of environmental and microbial contaminants.

At the heart of the binder are humic and fulvic acid extracts. These BioActive Carbon molecules are formulated at a nanoparticle level. This microscopic size enables them to travel deep within the body and bind unwanted environmental and biological factors.

## LABEL INFORMATION

**Directions:** Start with taking 1 capsule twice daily and work up to 2 capsules twice daily, or as otherwise directed by a healthcare practitioner.

**WARNING:** Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child.

**KEEP OUT OF REACH OF CHILDREN.**

**WARNING:** Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

\*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure, or prevent any disease.

In addition, Carbon Technology can provide cellular building blocks where they're needed in the body. Supporting cell health is foundational for a detox protocol.

ViRadChem also supports microbiome health and helps maintain normal immune function. So consider the product as a tool for health maintenance as well as detox.

## Supplement Facts

\*Daily Value not established.

Other ingredients: Polysaccharides, HPMC (Capsule).

# Para 1

## IMMUNE & DIGESTIVE SUPPORT

### KEY BENEFITS

- Acts as a “gut grabber,” forming a sticky mass and binding unwanted factors
- Facilitates detox protocols, and supports health in maintenance programs
- Mixes with avocado oil or maple syrup to make swallowing capsules easier

### PRODUCT DESCRIPTION

This is our flagship immune- and digestive-support product. Para 1 facilitates the removal of unwanted items from the gut.

Para 1 is made of one simple ingredient—Mimosa Pudica Seeds. These come from an Ayurvedic herb that has been used to support health since ancient times.

In the gut, the powdered seeds become gelatinous and sticky. So, they can “scrub” the digestive tract

### LABEL INFORMATION

**Directions:** Take 2 capsules twice daily on an empty stomach or as otherwise directed by a healthcare practitioner.

**WARNING:** Please consult your healthcare practitioner before use if you are pregnant, breastfeeding, or considering use for a child.

**KEEP OUT OF REACH OF CHILDREN.**

**WARNING:** Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

§ This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

and carry away many unwanted materials in the stools. This supports the normal elimination of biofilm buildup, toxins, and other unwanted factors.

Para 1 is the most effective when taken on an empty stomach. So take it at least 20 minutes before or 2 hours after eating. For the most potency, avoid taking Para 1 at the same time as any binders. Ideally, separate them by at least 30–60 minutes.
