11 Essential Steps to 'Getting your 🧠 in Order'

All of these Resources are on my 'Favorites' page which you can find [HERE](#):

🌱 **Grow Your Own Food** – Start gardening or connect with local farmers for fresh, organic produce. (Get a couple Tower Gardens: Hydroponics, Heirloom seeds & Simple Grows)
SOLUTION = [TOWER GARDENS!](#) Go to my Shop page, Click shop and use this code '**FLASH75**' ASAP. Flash sale for I have no idea how long but just get one (or 2, I have 2 and it's plenty for a whole family)

🍖 **Invest in Whole Foods** – Stock up on a YEAR of meat (for super low prices)
SOLUTION = I'm gifting you your first [ButcherBox](#) for just \$20, plus free ground beef, chicken or salmon for the life of your membership. (This is what I did. Be sure to buy a 5-9 Cubic Feet freezer to store them in. \$200-400 at Lowes or HD)

🥬 **Have 3 months of REAL FOOD stored** (non perishable)
SOLUTION = Stick with 'Meat & Protein' AND 'Fruit & Vegetables'. Once you click on 'Shop' under '[My Patriot Supply](#)' on my Shop page click 'Emergency Food Survival' and you'll see those options & others (*avoid pasta and high carbs as this will drain your energy and strength when you need it*). I got the Fruit Pack, Veggie Pack, Eggs & Meat / Protein Pack! You can also buy 'Heirloom Seeds for your Tower Garden here)

🔪 **Have means to defend yourself (IKYN)**
SOLUTION = You know what to do! Stock up on this, store them safely, know how to use them!

💊 **Stockpile Essential Prescriptions & Supplements** – Don't risk being w/o what you need.
SOLUTION = '[Warrior Detox Supplements](#)' I would start with 'the Warrior Cleanse Foundational Five' and if someone you know or YOU got the jab (or you're in close contact with them) I would get the 'ImmunoSpike Kit' and take that daily

[Chlorine DiOxide](#) for Wellness and Water Purification = I can't tell you why and what to do with it here (it would put me in danger). But I have protocols in my [VIP group](#), which I would love you to join us, only \$1 for your first week to see what all the hype is about)

...I'm always updating this section based on evolving research which I share on my podcast and if it's a censored topic in my VIP group so keep an eye out...

 **Secure Your Financial Stability** – Keep cash, gold, and silver in a safe place. Ensure your 'Bank Accounts' are properly titled (so much more I can say about that)

SOLUTION = ESTABLISH a Trust, PMA, Stop Paying taxes the way the rich do (this is how THEY get richer...and you can too...legally) = ['The Freedom People'](#) - Click 'Explore Services' on my 'Shop' Page or 'Learn' to hear why it's so important

SOLUTION = Invest in Precious Metals. Keep some at home in a Safe and pay a company like ['Noble Gold Investments'](#) (on my Shop page) to store in their vault for you

 **Fuel Up** – Always have an extra gas supply ready.

SOLUTION = Fill up 3-5 extra tanks of gas and store in a shed (not your garage). Use within 3 months and replace is my understanding

 **Solar Generator** that Can power your Fridge & essential electronics

ELECTRICITY/POWER = I did tons of research and got this Generator = 3300 Solar Generator System (click on ['My Patriot Supply'](#) Shop button on my SHOP page and you'll get an instant discount

 **Portable Water Filters** (filter out ALL the poisons & pathogens) & Means to Store it

SOLUTION = I drink Distilled and recommend that for when the power is working fine. You'll see ['My Pure Water Home Water Distiller'](#) on my page as well as the discount for my warriors. Click 'Learn' if you want to learn why Distilled.

FOR HOME OR TRAVEL (larger sizes avail) = Alexapure Pro (just like the Berkey which went out of biz...get it from [My Patriot Supply](#) also)

PORTABLE WATER FILTER BOTTLE (to go) = Aquamira G2O Water Filtration Bottle (on [My Patriot Supply](#) site)

 **First Aid Kits & Emergency Supplies** – Your health is your wealth.

SOLUTION = Another solution from ['My Patriot Supply'](#), click on first aid and medical supplies & you'll find tons of options. I carry one in my car along with a blanket, gallon of water, flares, and more!

 **Organize Important Documents** – Secure everything in a fireproof safe.

SOLUTION = ['The Freedom People'](#) Help you get this all organized, assets/home/car titled properly as well as birth certificate status, etc (click on ['The Freedom People'](#) on my Shop page on top under 'Wealth)

PS - SKIN SURVIVALISM? 🙄

Ok I realize those 2 words don't even belong in the same sentence but for now...I wanted to also share a beautiful way to stay sane while the old world falls apart, so you can attain, maintain and retain that natural beauty skin glow (I'm so laughing as I type this because it sounds so ridiculous)

But for those of you who get me and catch my drift, I wanted to introduce you to my new obsession! Korean skin care because...DID YOU KNOW...the average American woman looks 20 YEARS OLDER on average than non USA women? That's just sad.

NO MORE!

This is the SkinCare Line I've been searching for since I learned the dark side Disabling Disaster of the Toxic Beauty / Botox / Injectable industry and how Botox is the #1 most toxic ingredient known to man, Injectables NEVER dissolve and studies reveal increased rates of Brain Cancer from them + they both contain the same nanoparticulates + graphene + hydrogels as the COvid shots. Obviously the best defense is also the OFFENSE of stopping the use of toxic products, foods, water, ingredients, medications, supplements you get the idea...

**HERE IS MY NEW FAVORITE SKIN CARE LINE #1 IN ASIA AND ON FIRE IN THE USA
30 day money back guarantee...**

AND better results than any MedSpa facial I've EVER had.

Highest EWG rating!

Bans more toxic ingredients than ANY US based beauty company

100 x's more Collagen, HA and so much more!

CHECK IT OUT

I also did a couple of shows about it so you can learn more:

- [Dr Diane Kazer Discusses: CAN BOTOX NUMB EMPATHY?](#)
- [THE TRUTH ABOUT CLEAN BEAUTY - DR'S PANEL](#) (my part starts around minute 41, but the whole thing is worth listening to as to WHY we need better beauty rituals)

My Planner # is 2044167605

You get 5% off as a Customer and 10% off as a Planner (Planners can also earn \$ recommending it to others)
